**Ka\*\*\* \*\* el**

After a lot of internet searching, I decided to use Odynovo to handle my retirement celebration trip to the Middle East with a good friend. We are about in the middle of the trip. I was a bit concerned because I did not really know anything about the company. But most of the comments and reviews I found were positive so I took off for Cairo hoping for the best. Well, everything so far has gone just great. We were met at the airport, a very friendly and efficient arrival. Everyday we were picked up on time. We had no problems at all. We spent one week in Sharm El Sheikh. It was awesome. I went snorkeling several times. It was beautiful. The water was a little cold but very clear. There were so many fish and the coral reef is very colorful. We also went dune bugging in the desert and had a lot of fun. A highlight was the trip to Mt. Sinai on camels in the middle of the night to see the sunrise. Totally awesome! Then we spent some time in Cairo and took a cruise up the Nile. Now we are in Israel and things continue to go very well. So far, I am completely satisfied with Odynovo's service. I would highly recommend them. I will update at the end of our trip.

**Je\*\*\* \*\* pp**

This will be our fourth tour with Odynovo. We have worked well with Joan Qin of Odynovo Tours. One time when we had a late flight in Istanbul, Turkey. Joan answered her phone late at night and was able to help. All of our trips have been well planned with excellent service.

**Di\*na**

# BEST PLACES TO VISIT

Egypt is often considered to be one of the world's oldest countries. The Pyramids in Cairo have been the top attraction for many years, and you should not miss the wonderlands of ruins and temples of Luxor and Abu Simbel, the appealing seaside resort of Hurghada and diving paradise of the Red Sea...

## Cairo

In Cairo, you can soak up the strong atmosphere of the human civilization. Beyond the iconic pyramids, you will be charmed by Tahrir Square; Old Cairo, known as "Paris on the Nile" and home to the serene mosques; and the Zamalek with modern skyscrapers, as well as the lively bazaars and traditional coffee houses.

## Luxor

Brimming with a collection of ancient tombs, ruins and temples, Luxor is known as the world's largest open-air museum. It's divided by the River Nile into the East Bank and West Bank, both of which have enough majestic wonders to keep you busy for several days, such as the Luxor Temple and Karnak Temple on the east and the Valley of Kings on the west.

## Abu Simbel

Saved from the rising waters of Lake Nasser, the small village of Abu Simbel moved uphill from its original site. It remains alive for the grand Abu Simbel Temple which is counted as an architectural marvel. Particularly remarkable, the sunlight magically shines directly on the statue of Ramesses II only on February 21st and October 21st every year.

## Alexandria

Located on the Mediterranean coast, Alexandria is the leading port and the second largest city in Egypt. The city boasts a glorious past closely associated with its founder, Alexander the Great. Many tourists drop by here on a cruise stop, but you can still spend some time exploring the ancient wonders and relaxing on the beaches.

## Hurghada

The fishing village of Hurghada has become the most popular seaside resort in Egypt. It's a paradise for lovers of super beaches and diving activities, and also for those who like to combine idyllic beach holidays with the ancient wonders. If you are not going diving, the town itself has much to offer with a variety of vacation villages, hotels and restaurants for you to relax in.

# UNIQUE EXPERIENCES

## Pyramids & Great Sphinx

The Pyramids of Giza and Great Sphinx are the top choices on the travel list of most of travelers to Egypt. Both are mystical and awe-inspiring engineering projects dating back thousands of years. Without taking photos in this iconic site, your trip to Egypt is not complete. If you like, you can explore inside the Great Pyramid.

## Slumber on the Nile

The Nile is Egypt's lifeblood and sailing on a felucca (a traditional Egyptian sailboat) is the best way to know what it truly is. You may relax in the shade and lie on the cushions, enjoying the surroundings pass and watching the sunset and starry night under the open sky. Meals are prepared on the board. Alternatively, a luxury cruise is also available if you prefer.

## Khan El Khalili Bazaar

The vendors who love striking up a conversation with customers have become a main feature of Egypt's bazaars. Get ready for your treasure hunt at Khan El Khalili Bazaar teeming with craft shops, souvenir stands and spice and food shops. Your eyes will be dazzled by the amazing goods, from sparkling silverware, handmade carpets to pharaonic souvenirs.

Egypt is truly a great travel destination with so many wonderful things to do: exploring the magical Pyramids and Sphinx, a luxury cruise or a felucca sailing along the Nile, coral reefs in the Red Sea discovery; there is always something to blow your mind.

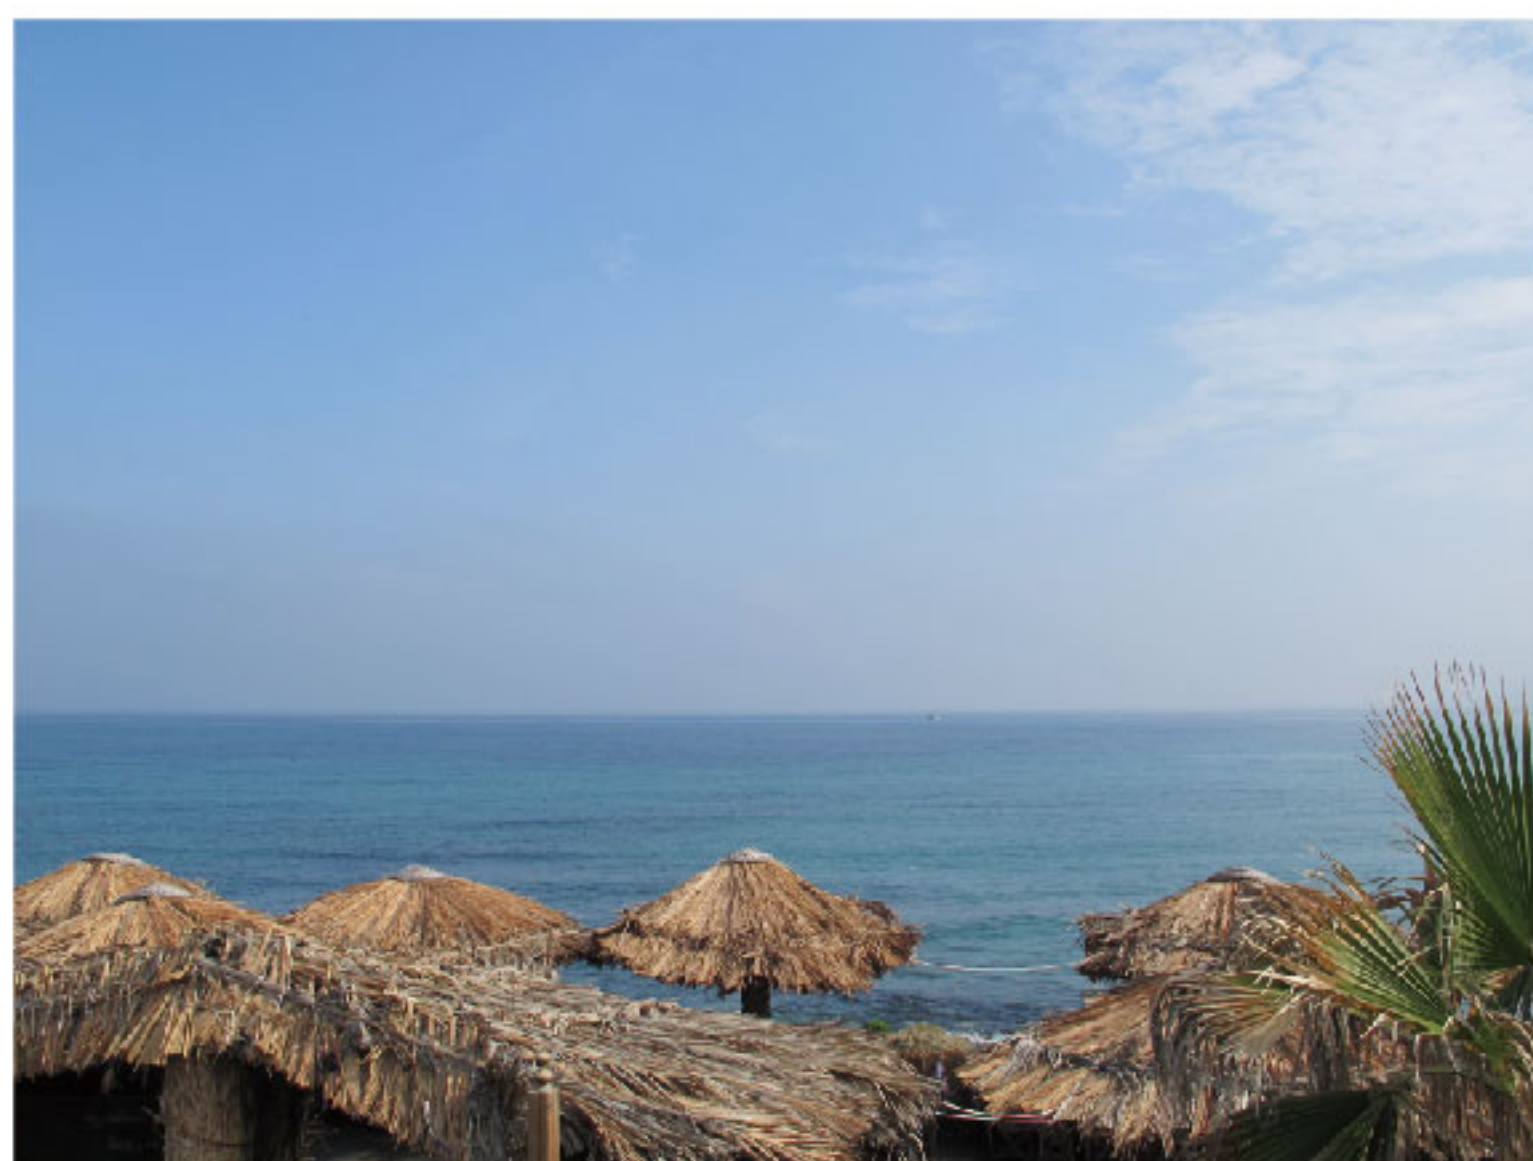

## Dinner at Egyptian Family

Having dinner with an Egyptian family is a wonderful experience. The host family will welcome you and show you the process by which they cook the traditional Egyptian food. You will also get to know the popular local food, such as koshari, falafels and molokhia, and of course, the dining customs and local life. Having dinner together at their home makes you feel like a family member.

## Egyptian Museum

The Egyptian Museum is so unparalleled that you must come at least twice in your life. No other museum in Egypt or even the world contains such an extensive collection of Egyptian antiques. And no other museum allows you to get so close to witness the Egyptian mummies, jewelry and royal tombs.

## Sun & Sea

Colorful fish, majestic shipwrecks and gorgeous coral reefs, the landscape under the Red Sea is as wonderful as that of the land. # MOROCCO

# BEST PLACES TO VISIT

A dazzling and diverse country in North Africa, Morocco is a land where you can explore for weeks and never tire of. There's so much to see: the maze-like souqs of Fes, the blue-washed houses of Chefchaouen, the stunning sand dunes of the Sahara Desert, the epic mountains of the High Atlas...

## Marrakesh

One of Morocco's imperial cities, Marrakesh is still considered to be the country's capital of culture. Its other buildings and medieval sights like squares, mosques, palaces and gardens draw visitors from the world over. The mixed influences of Berbers, Arabs, Spanish, and French have created a unique ambiance that you can still feel when exploring the city.

## Casablanca

The Atlantic port city of Casablanca is the commercial hub of Morocco, but there's much more. It is home to one of the world's most spectacular mosques — the striking Hassan II Mosque, and an abundance of art deco buildings, the legacy of the French colonial rule. Besides, visitors can experience the city's burgeoning art scenes, and stroll along the lively corniche.

## Fes

The oldest of Morocco's imperial cities, Fes once attracted scholars, imams and intellectuals. Today, it remains an important center of culture and spirituality and a fascinating place to go. Here you can discover the world's largest living medieval medina in the city center, walled and car-free. Inside is a maze of narrow, meandering streets leading to hidden gems including souks, mosques, and tanneries.

## Chefchaouen

Chefchaouen, Morocco's "Blue City", is nestled in the Rif Mountains. It is most famous for its blue-washed houses and cobble streets against the breathtaking mountain scenery. Explore its quaint craft markets, sit at a street-side café, or simply wander through the streets at your own pace to absorb the unique ambiance.

## From the Atlas Mountains to the Sahara Desert

Morocco holds some of the most awe-inspiring landscapes in Africa like the towering Atlas Mountains and the immense Sahara Desert. Appreciate the splendid scenery of peaks and valleys, ride a camel to explore the impressive dunes of the Sahara and spend a night in a traditional Berber tent.

# UNIQUE EXPERIENCES

Mesmerizing Morocco offers an amazing variety of one-of-a-kind experiences, including getting lost in the medieval medina, surfing in Essaouira, touring traditional Moroccan tanneries, camel trekking in the Sahara Desert, sleeping in a traditional riad, and much more.

## Wander Around Jemaa el-Fnaa

Jemaa el-Fnaa is Marrakesh's main square located at the heart of the medina. This is where you can watch drama in progress: story-telling, snake-charming, Chleuh dancing, traditional music, and many other famous traditional performances of Marrakesh. And if you get hungry, you are never far away from one of the square's numerous food stalls.

## Surf at Essaouira

Reliable winds and excellent surfing conditions make Morocco's Atlantic port city of Essaouira a perfect surfing destination. Whether you are keen on surfing, windsurfing or kitesurfing, you'll have a lot of fun here. The best time to surf is in winter when the most impressive waves come and when you can meet surfers from all over the world to share the passion for this water adventure.

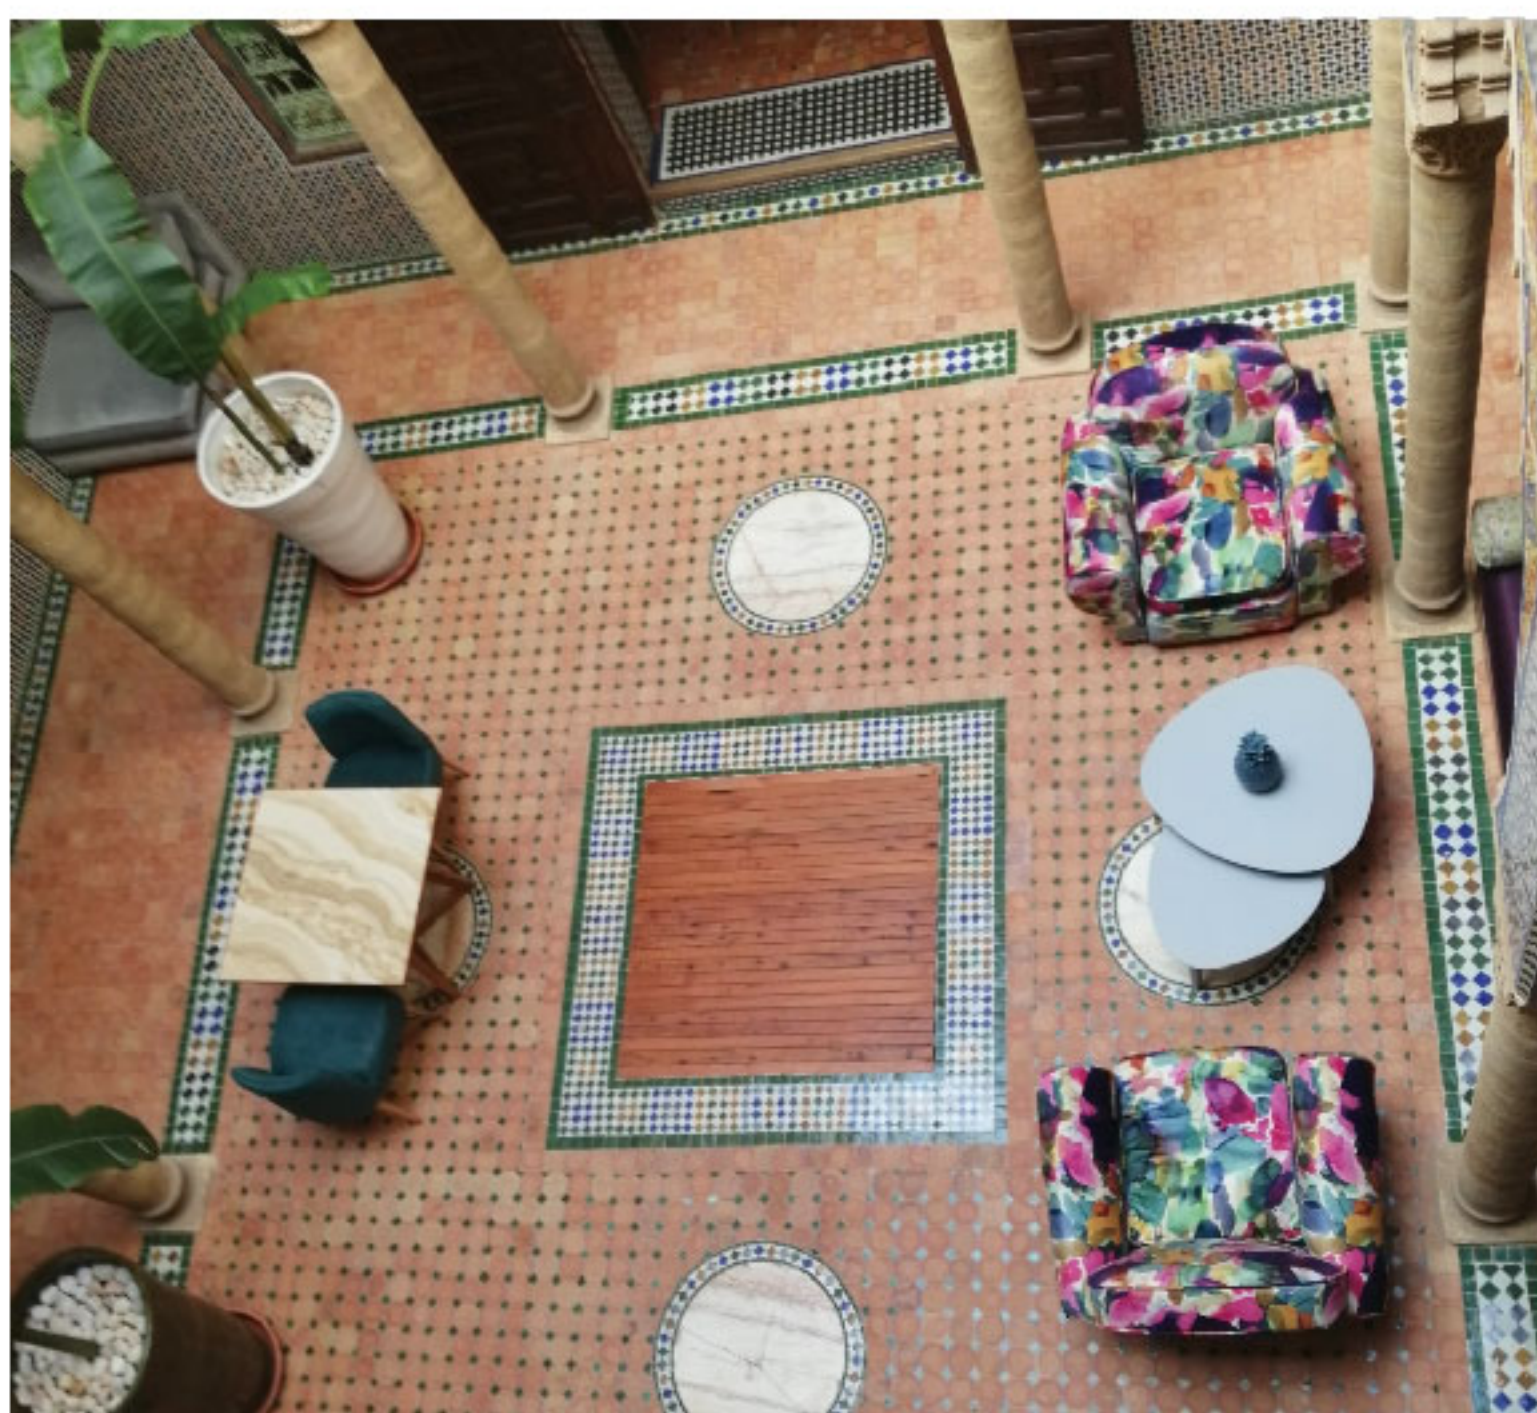

## Visit the Tanneries of Fez

Fes is known for its leather products and most of them come from the city's ancient tanneries located inside its medina. A trip to the tanneries will give you a fascinating insight into a practice that has changed little for centuries. You'll see workers standing inside stone vessels filled with multi-colored dyes, tending to animal hides. What a sight to behold.

## Ride a Camel in the Sahara Desert

This is one of the most unforgettable experiences you can have in Morocco. A camel takes you to an endless sea of golden-orange sand dunes where you can relax and take in the majestic views of the desert. Spend a whole day there, watching the spectacular dunes at sunrise and sunset, and when the night falls, enjoy a freshly cooked dinner with a Bedouin family under a cloak of stars.

## Stay in a Riad

Historic and atmospheric, riads are traditional Moroccan houses with an interior garden as the central element. A large number of them have been converted into guest houses, giving visitors the most quintessential Moroccan experience. You'll be amazed at colorful tilework and ornamental plasterwork on the inside walls of a riad and uniquely furnished rooms with woodwork and paintings.

# ISRAEL

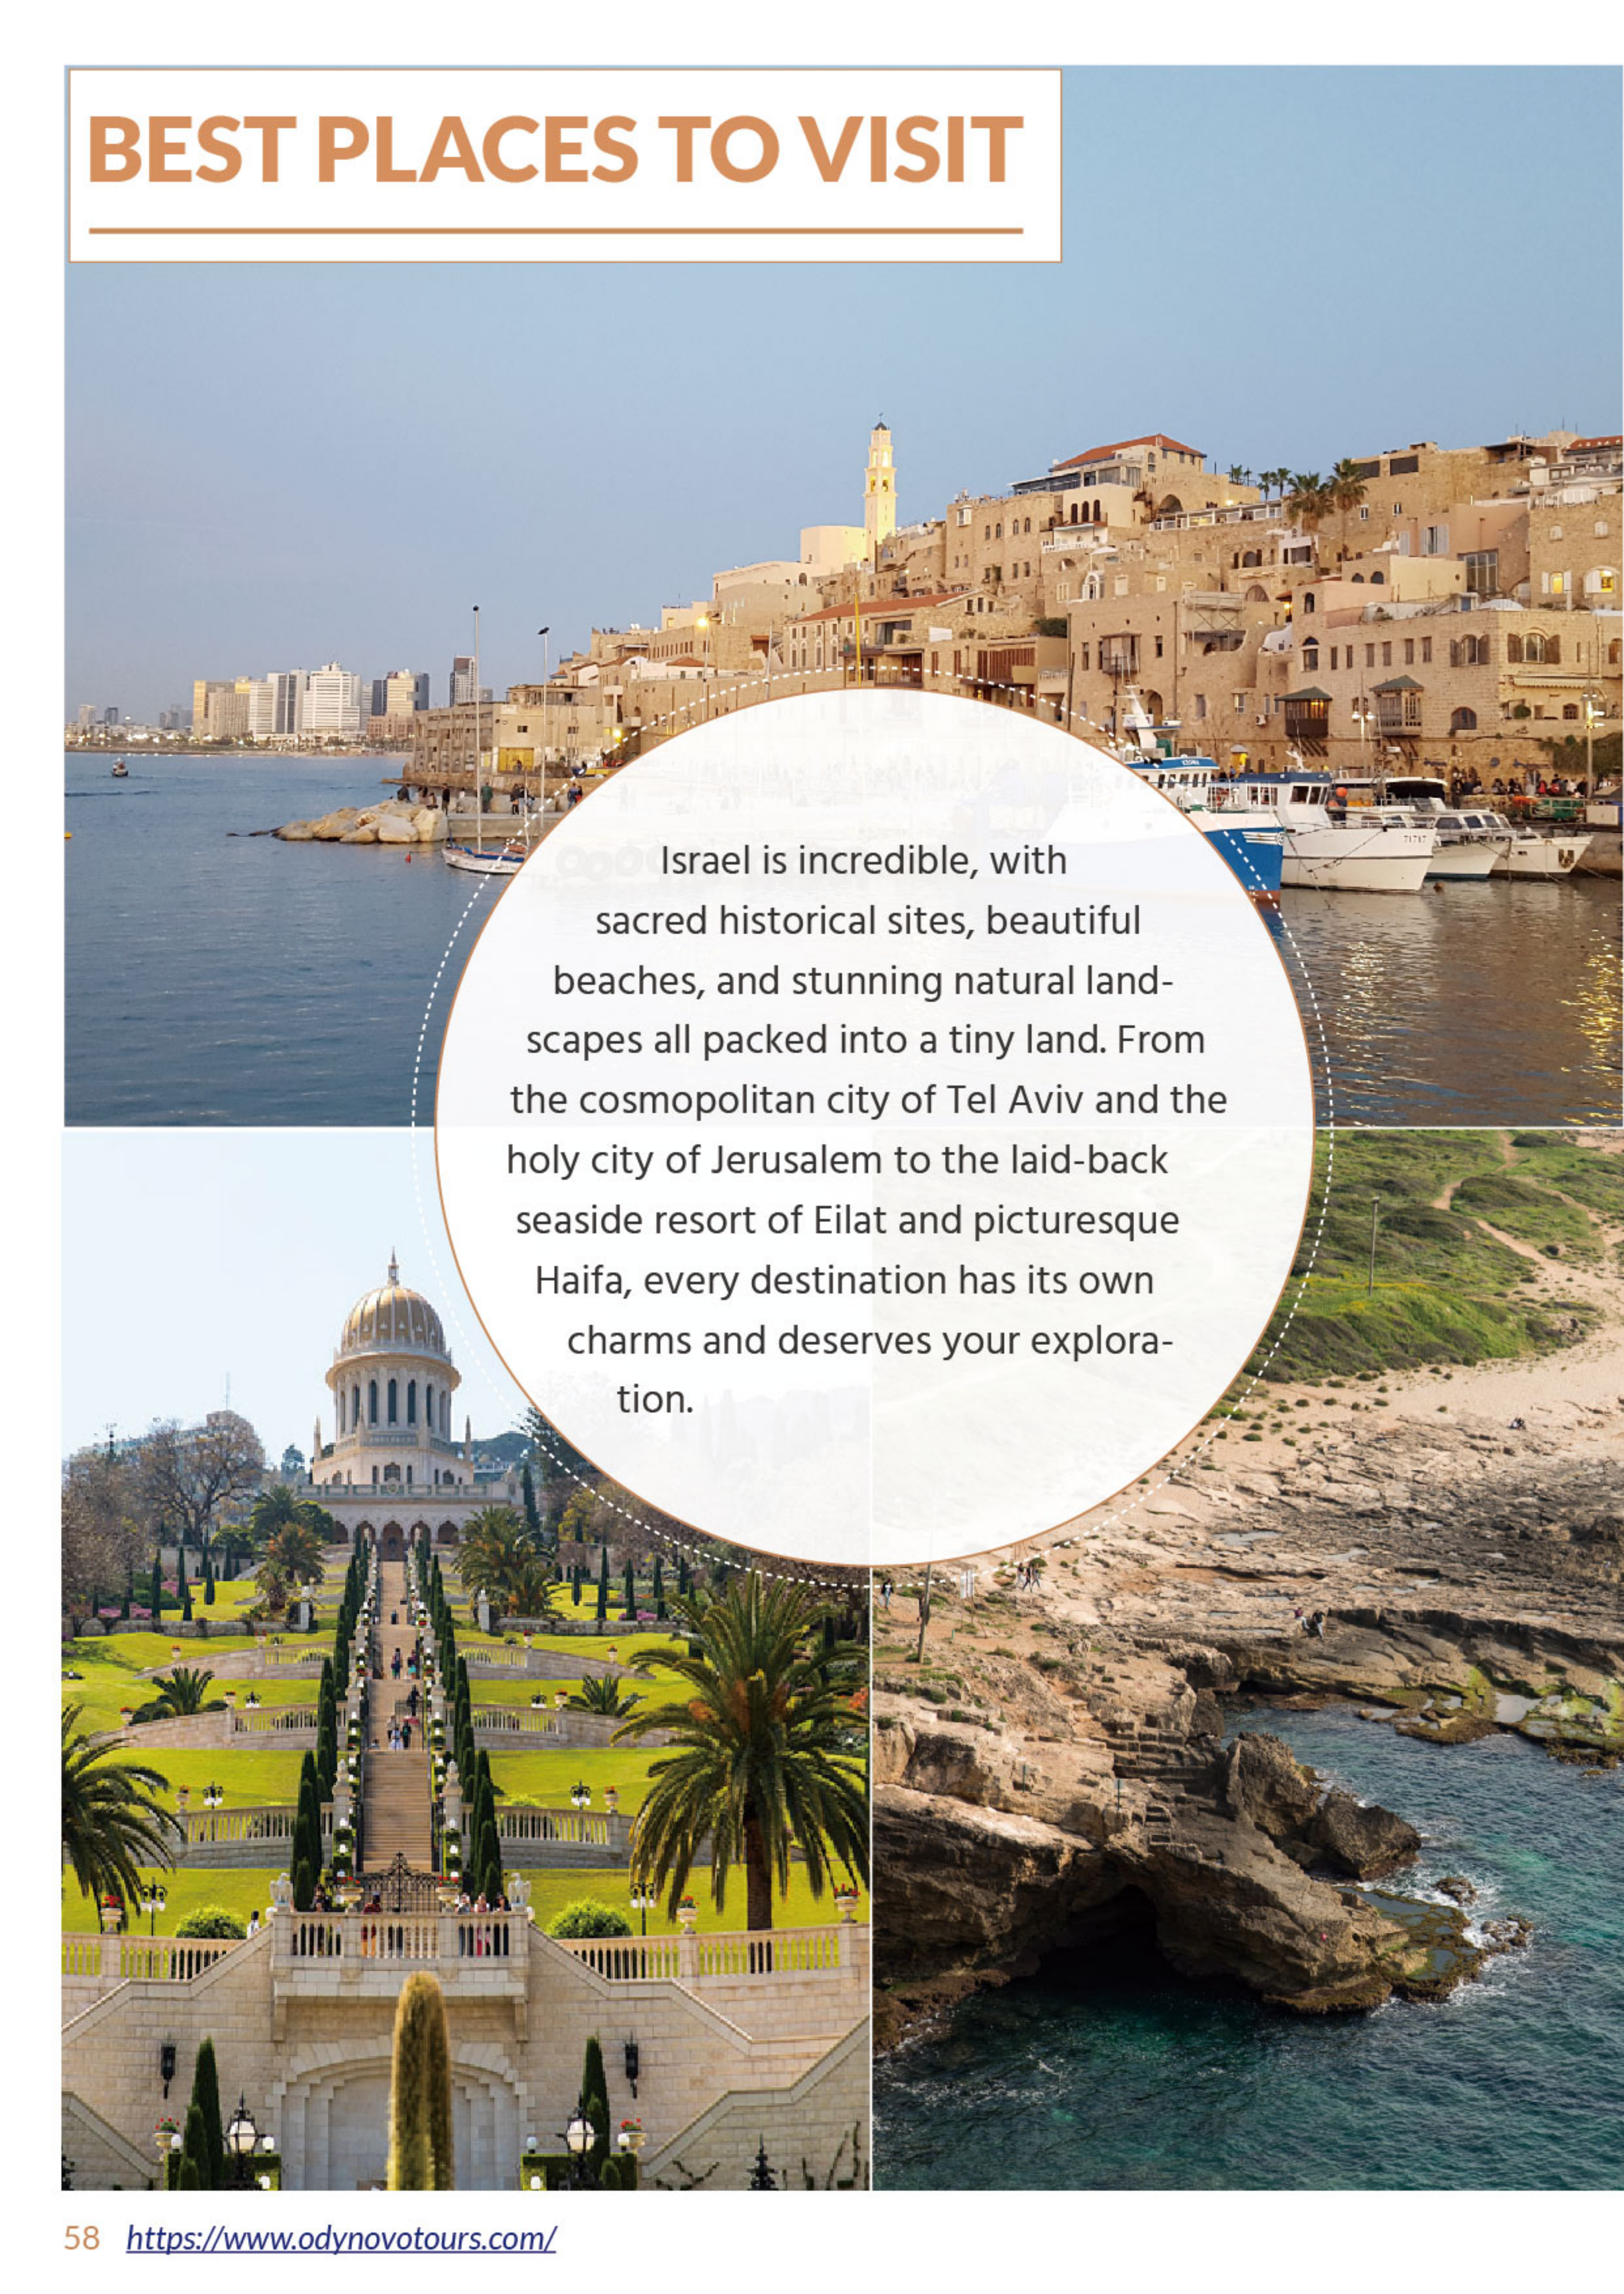

# BEST PLACES TO VISIT

Israel is incredible, with sacred historical sites, beautiful beaches, and stunning natural landscapes all packed into a tiny land. From the cosmopolitan city of Tel Aviv and the holy city of Jerusalem to the laid-back seaside resort of Eilat and picturesque Haifa, every destination has its own charms and deserves your exploration.

## Tel Aviv-Yafo

Tel Aviv-Yafo, more commonly referred to just as Tel Aviv, is Israel's most cosmopolitan city and yet often underestimated by most travelers. The city boasts miles of beautiful, sunny beaches, vibrant nightlife scenes, and charming neighborhoods. Visitors can also stroll along the ancient, arched alleyways of the old town to find stone buildings peppered with art galleries, fashion boutiques, and buzzing bars and restaurants.

## Jerusalem

Sacred to Jews, Christians, and Muslims, Jerusalem is one of the world's holiest cities and draws pilgrims as well as non-religious visitors from every corner of the world. Holy, religious sites abound in the Old City where a labyrinth of narrow alleyways link temples, churches, and mosques. Sounds of Jewish shofar, church bells, and Islamic calls to prayer can all be heard here.

## The Galilee

The mountainous region of the Galilee in northern Israel has no lack of history and natural beauty. Places of biblical importance like Nazareth, Cana and the Sea of Galilee are must-visits, especially for Christian pilgrims. Nature lovers will enjoy the streams, waterfalls and greenery.

## Eilat

Sitting on the picture-perfect coast of the Red Sea, Eilat is Israel's ultimate beach destination. Relax on the pristine beaches, partake in a variety of water activities such as swimming, scuba diving, and snorkeling, visit Underwater Observatory Marine Park, hike in the stunning desert, etc. There's plenty to keep you busy and happy here.

## Haifa

A port city beautifully located on the slope of Mount Carmel facing the Mediterranean Sea, Haifa offers breathtaking views of the bay, lush greenery and stunning coastline. Top sights include the spectacular Bahá'í Gardens, the gold-domed Shrine of the Báb, and the German Colony where you can find quaint shops, galleries, and restaurants.

# UNIQUE EXPERIENCES

Israel boasts an impressive array of things to do that few other countries can offer. From wandering through the holy Old City of Jerusalem to floating in the fun-filled Dead Sea, hiking the magical Ein Gedi Oasis, and exploring the fascinating Rosh HaNikra Grottoes, don't miss these four of the country's most unique experiences.

## Stroll Through the Old City of Jerusalem

Jerusalem's Old City is a melting pot of beliefs and cultures. It is surprisingly small and best explored on foot. Wander through the narrow, meandering streets to see the holy sites such as the Western Wall, Dome of the Rock and the Church of the Holy Sepulchre, and contrast the different ways of life of the four quarters (Muslim, Jewish, Christian and Armenian).

## Float in the Dead Sea

A must-have experience when visiting Israel is to float in the Dead Sea. The water is so salty that you can float effortlessly in it. All you need to do is lie back, relax and enjoy. Don't forget to smear the mineral-rich mud on your body which can cleanse the skin and relieve arthritic pain.

## Hike the Ein Gedi Oasis

Located west of the Dead Sea is Ein Gedi Nature Reserve, one of the most magical desert oases in Israel. It is one of the country's most popular hiking spots, offering a number of hiking trails suitable for people from family groups to experienced hikers. Expect to see Eden-like waterfalls, cool streams, and verdant vegetation; and if you are lucky, you will encounter wondrous wildlife such as the majestic Nubian ibex and rock hyraxes.

## Explore the Rosh HaNikra Grottoes

Standing in the northwestern tip of Israel, these enchanting bone-white cliffs are among the most unique sights that can be found in the country. Take the world's steepest cable car down to the bottom to explore on foot mystical grottoes that were thousands of years in the making and marvel at pools of azure water.

# MOST POPULAR ISRAEL TOURS

# JORDAN

# BEST PLACES TO VISIT

## 1 Amman

Amman is the capital city and has a perfect blend of traditional Jordanian culture and modern appeal. The best way to see Amman is on foot: the bowl-shaped center, all the houses with the same sandy appearance, winding alleys and sophisticated coffee shops, time-honored roman ruins, museums and citadels along with the modern art galleries.

## 2 Petra

Hidden for thousands of years, the ancient Nabataean city of Petra in southern Jordan wasn't brought to light until the 19th century. This archaeological site with awe-inspiring ruins offers you a window to discover sights such as the Treasury, Siq canyon, Monastery and Roman Theater. Now, it has become one of the New Seven Wonders of the World and a UNESCO World Heritage Site.

Jordan is a very small country but with dotted places to visit. You have the chance to explore the old city of Amman, the Lost City of Petra and ruined city of Jerash, see fascinating Wadi Rum desert and even float in the Dead Sea.

### 3 Jerash

Jerash is the second most popular site in Jordan after Petra. What makes this site especially appealing is its Roman ruins, which are some of the best outside Italy. Some relatively well-preserved Roman relics will remind you that it was once a flourishing city, such as the Hadrian's Arch, Oval Plaza, Temple of Zeus, etc.

### 4 Wadi Rum

Nicknamed "The Valley of the Moon", Wadi Rum is Jordan's major highlight. Remarkable are the red sand dunes and towering sandstone arches forged over millennia. Thus, it's also a favorite for filmmakers. Witnessing a great desert sunset, camping under the night sky and chatting with the nomadic Bedouins will really leave you with lasting memories.

# UNIQUE EXPERIENCES

## The Treasury

At the end of Siq trail is the iconic Treasury (Al-Khazneh). According to the legends, there was buried treasure here and so it got the name. That's no secret as it has appeared in many Hollywood movies and gained considerable fame. Many travelers like grabbing photos of themselves here with camels, on horseback or hiking.

## Camp in Wadi Rum

Staying overnight in the desert sounds wonderful. With wide open spaces, in the quiet and starry night, you sit in your tent and talk to your friends. Under the night sky, you enjoy delicious food and listen to the music from the traditional instruments playing by the local Bedouin. You stare at the sky as it gets darker and darker, then have a vivid dream.

No matter what your interests are, Jordan has got you covered. Get lost in the Rose City of Petra, camp in the Wadi Rum wilderness, trace back the sacred Biblical Mt. Nebo...

## Wadi Mujib Siq Trail

Crossing a river canyon at 400 meters / 1312 feet below sea level is a brand new experience for most people, so we recommend the Siq Trail. Walking along the narrow gorge with towering orange red walls, you will finally meet with the enormous Treasury. You can hike, or ride on horseback. Most of the way is in the shade, so it's a good place for you to spend summer!

## Climb Mt. Nebo

In the Biblical tradition, Mount Nebo is the place where Moses first saw the Promised Land to which he would lead the exodus from Egypt. That's the reason why many believers are attracted by its fame. Standing on top of the summit of Mount Nebo, you can have a panoramic view of the Dead Sea and the Jordan Valley in distance.

Of course, you could also pay the full amount in a single payment if you prefer to.

## 3. How do I pay?

You can pay by PayPal, credit card or wire transfer; whichever is more convenient for you. When you're ready to book, your travel agent will send you the step-by-step payment guide. All the payments should be paid to Odynovo directly.

## 4. How can I get my refund if I have to cancel my booking?

If you have to cancel your trip, please contact your travel agent and submit your written cancellation. Refunds will be calculated as per the date of reception of your written cancellation. Check the Terms & Conditions below for more details.

## 5. Do I need to take out travel insurance for my trip?

Yes, please ensure that you have comprehensive travel insurance when travelling overseas, including health, life and disability insurance with medical evacuation, and trip cancellation insurance in the instance you have to cancel your tour prior to departure due to unforeseen circumstances.

## 6. What is the latest time that I can

## make my reservation?

We suggest you make reservations at least 60 days before the departure date to avoid the peak season. However, we do accept last-minute reservations. If your reservation is very urgent, please call us directly by telephone. Although the availability of domestic flights, hotel rooms, some attractions and activities can not be guaranteed, we will try our best to help you arrange your tour.

## 7. How do I get a visa?

Traveling to the Middle East can be easier than you think as many of the region's countries either offer visa-free visits or allow you to obtain a visa online. For those who don't, they make it possible for you to get one upon arrival.

### Egypt–E-Visa / Visa on Arrival

Visas are required for most nationals visiting Egypt. Citizens of the US, UK, Australia, New Zealand, Canada, and the EU can apply for a single-entry, 30-day tourist visa online (<https://visa2egypt.gov.eg>) or obtain a visa upon arrival at any of the Egyptian ports of entry including Cairo International Airport.

### Morocco–Visa Free

US, UK, Australian, New Zealand, Canadian, and EU nationals do not need a visa to travel to Morocco for stays of up to 90 days, with a passport valid for at least 6 months from the date of entry.

### Israel–Visa Free

US, UK, Australian, New Zealand, Canadian, and EU nationals do not need a visa to enter Israel for tourism purposes for a maximum stay of 90 days. Passports must be valid for a minimum period of 6 months from the date of entry into Israel.

### Jordan–Visa on Arrival

Most nationals need a visa to enter Jordan and they can get one upon arrival at the international airports and most of Jordan's land borders. If you are planning to stay in Jordan for more than two nights, we recommend buying the Jordan Pass ([www.jordanpass.jo](http://www.jordanpass.jo)) online before arrival. It not only waives the visa fee, but also allows you to visit many Jordan attractions for free, including Petra.

### Turkey–E-Visa / Visa-Free

US, UK, Australian, and Canadian passport holders can purchase a Jordan visa online (<https://www.evisa.gov.tr/en/>) before traveling for a stay of 90 days. New Zealand nationals and many European citizens such as the French and German can enjoy visa-free visits in Turkey for 90 days.

### Kenya–E-Visa / Visa on Arrival

To enter Kenya, a visa is required for most nationalities, including US, UK, Australian, Canadian, and New Zealand passport holders. You can apply for a single-entry tourist visa online ([www.evisa.go.ke](http://www.evisa.go.ke)) or obtain a visa on arrival at the airport. It is advisable to get your visa in advance to avoid long queues at the airport. If you also want to visit Uganda and Rwanda, you can apply for an East Africa Tourist Visa valid for 90 days, which allows multiple entries into three countries. The visa can be applied in advance at a Kenyan embassy or consulate or upon arrival at Nairobi International Airport. Note that you'll also need to bring your Yellow Fever vaccination certificate to visit Kenya.

## 8. Do you offer any discounts if we have many people in our group?

Yes, our quotation is based on the size of your group. The more people in your group, the more discounts can you have. Private tours will be expensive for solo traveler; therefore, we do suggest you think of travelling with friends or families if it is possible for you to get a companion.

## 9. Do I need to bring my medical record with me?

Yes, we suggest you take your medical record with you in case that you need it in the event of an emergency, and please also take the notes of your doctor's name, address and phone number, emergency contact name and phone number, and your insurance company's name, address and phone number.

## 10. Am I expected to leave gratuities?

Tipping is a custom in Middle East. It would be usual to give your tour guide and driver a tip at the end of your tour if he/she has done a good job, and the amount is entirely at your discretion. It is not mandatory, but always much appreciated.
